Chi siamo

- La nostra attività consiste nella produzione di particolari tecnici speciali realizzati su progetto del cliente.

Dal 1987 operiamo nel settore delle lavorazioni meccaniche minute.

La qualità certificata, l'innovazione tecnologica, il servizio e le competenze acquisite sono i nostri punti di forza. Possiamo quindi soddisfare le richieste della clientela più esigente.

Le nostre referenze annoverano prestigiosi nomi internazionali nel campo degli strumenti di misura, dei gas tecnici, della saldatura, dell'automotive, del medicale, della calzatura e dell'elettronica.

Who we are

- High precision technology is the soul of our business. Our activity consists in supplying precision special parts in according with customer specifications. Since 1987 we produce micro parts turning. Thanks to the constant updating of our technological level, the quality systems and the consolidated experience, we can meet the needs of any type of application. We are the choice of leading international companies for executing their products in the various application fields.

Servizi offerti:

Produzione minuterie di precisione da barra o filo in metallo o plastiche tecniche diametro massimo m/m 65

Lavorazioni di tornitura, foratura, fresatura, brocciatura, poligonatura, dentatura, filettatura, tourbillonage, ottenute nella stessa macchina simultaneamente, evitando movimentazioni e riprese.

Possiamo eseguire in proprio trattamenti termici, di vibro-finitura e galvanici.

What we can offer

We can produce micro parts obtained from rod or wire in steel, plastic, brass, bronze, aluminum,

Mtv offer mechanical machining like: turning, drilling, milling, broaching, polygoning, moulding tooth, thread, tourbillonnage, which are obtained sequentially on board machines without resume,

We can also offer heat and surface treatment.
